

Electric Toothbrush Buying Comparison Sheet

My needs and priorities

Start here before comparing models. Mark the features that matter to you, then use page 2 to compare two options.

Name: _____ Date: _____

1. My spending limits

Toothbrush budget: \$ _____

Replacement-head budget: \$ _____
per pack / per head (circle one)

2. My top priorities

- ☐ Handle I can hold comfortably
- ☐ Buttons I can find and operate easily
- ☐ Vibration or intensity I can tolerate
- ☐ Soft heads available for this exact model
- ☐ Timer and clear pressure feedback
- ☐ Charging setup that works in my bathroom
- ☐ Affordable, easy-to-find replacement heads

My three most important features:

3. Questions for my dentist or hygienist

Ask about brush-head choice, technique, sensitivity, or care around your dental work.

Electric Toothbrush

Buying Comparison Sheet

Compare two models

Copy facts from current listings or packaging. Mark comfort items as "not tried" until you have used or handled the brush.

Feature / detail	Model A	Model B
Exact model name		
Retailer / date checked		
Purchase price		
Compatible soft-head name		
Timer / pressure feedback		
Intensity options / controls		
Grip / vibration: tried?		
Charger / power needs		
Head-pack price / quantity		
Cost per replacement head		
Warranty / return terms*		

Cost per head = pack price divided by number of heads.
*Check whether opened or used brushes can be returned.

My choice (or what I still need to check):

Shopping organizer, not a product endorsement. Verify current specifications, prices, and compatibility before buying.
